

Three purple butterflies are on the  
red flower. The big purple butterfly  
is on the red flower.

The blue butterfly is on the  
red flower. The blue butterfly  
is on the red flower.

Il giardino è un luogo pieno di vita e di colori.  
C'è un mondo intero che si nasconde sotto i petali.

More, please, please, please! Don't forget to  
keep this by yourself for something you'll need.  
For those people, something is something, something  
that's something is something is something.

**Illustration of a black bird with a yellow beak and eye.**  
A stylized illustration of a black bird with a yellow beak and a yellow patch around its eye. The bird is standing on a yellow ground.

Many plants, animals, and insects  
depend on flowers for food.  
Some insects, like bees, help flowers  
by carrying pollen to other flowers.  
This helps them make seeds.
